# RADIO DAYS

*"Five By Design made its Kennedy Center debut... it was one of the best performances of the season."*

—The Washington Post

# Five By Design's Radio Days

*Laughter to raise a nation's spirits.  
Music to stir a nation's soul.*

Get ready as Five By Design sets the Way Back Machine to the time of big bands, hep cats and the Hollywood Canteen with *Radio Days*. Whether displaying their lush trademark harmonies on "Moonlight in Vermont" or hilarious stage antics in "Boogie Woogie Bugle Boy," Five By Design captivates young and old alike. Be a part of the studio audience and experience first hand the excitement of a live radio broadcast in a musical evening of fun and laughter.

Toe-tapping favorites (you didn't realize you knew) will have you dancing in your seat. A jittery janitor, a frazzled foley artist and a woman with a fruit salad for a hat will leave you rolling in the aisles. A soldier kissing his bride as they dance to "I'll Be Seeing You" will bring a tear to your eye. Let your imagination sweep you away, flying with Superman, riding alongside the Lone Ranger or trembling with fright during the Inner Sanctum Mystery. So, slick back your hair, fellas, and grab your snood, ladies, as you climb aboard the "Chattanooga Choo-Choo." Don't miss a beat as Five By Design takes you on a magical ride over the radio airwaves.

*Spend the Holidays with Radio "Holly" Days*

Escape the holiday hustle and bustle with Bing Crosby, the Andrews Sisters, Betty Grable, Carmen Miranda and Glenn Miller. From a live radio drama complete with sound effects to the heartwarming music that made Christmas special for the boys overseas, Five By Design adds a holiday flair to their flagship production *Radio Days*.

## A Few Technical Considerations

*Radio Days* is adaptable to a variety of performance venues. For complete technical information please visit our website at <http://fivebydesign.com/RadioDays.html>. We are available to address any specific questions or concerns you may have.

- A well maintained lighting system capable of meeting basic light plot.
- 1 Follow Spot adequate to venue.
- One quick change area located Stage Right (16' x 16') with 1 – 6' table and 9 chairs. Pipe and drape may be used if necessary.
- 15' of Acting Space in front of band or orchestra.
- Ability to operate 6 lighting practicals in Acting Space (3 – SR, 2 – SL, 1 – hung from grid weighing 10 lbs.).
- Full stage black curtain behind the band or orchestra.
- Music stands and stand lights.
- 1 Tam-Tam (30" – 32") with stand.
- 1 – 6' to 8' table (stable and stage worthy).

*Five By Design — making classy cool again... one song at a time*
